## 9146.7 PMC BSTR 6/30 FS 31-40 WH

### Technical data

#### Dimensions

|                |           |
|----------------|-----------|
| Length         | 12 mm     |
| Width          | 6 mm      |
| Terminal width | ≥ 5,10 mm |

#### Materials

|                           |               |
|---------------------------|---------------|
| Marker material           | Polyamide 6.6 |
| Flammability class UL 94  | V-2           |
| Working temperature, min. | -40 °C        |
| Working temperature, max. | 105 °C        |
| Halogen-free              | ✓             |

#### Print

|                                                                               |                  |
|-------------------------------------------------------------------------------|------------------|
| Printing process                                                              | Thermal transfer |
| Number of characters, horizontal                                              | 3                |
| Rows when using font size 1.6 and plotter pen 0.25, horizontally aligned text | 3                |
| Number of characters, vertical                                                | 8                |
| Rows when using font size 1.6 and plotter pen 0.25, vertically aligned text   | 3                |

#### Environmental Product Compliance

|                                |            |
|--------------------------------|------------|
| REACH Conform                  | yes        |
| REACH Reference date           | 2023-06-14 |
| REACH Candidate Substance Note | No         |
| RoHS Conform                   | yes        |
